

Thank a teacher with a donation to the
Northampton Education Foundation

This holiday season, you can give your child's teachers mugs, gift cards, or tins of cookies, or you can **give them a gift that will enrich their teaching, and that of all of their colleagues** in the Northampton schools.

Your gift, in the name of a teacher, principal, or any staff member, will go to NEF's Small Grants Program. This fund provides grants for teachers to create innovative projects, events, or opportunities that enhance student learning, professional development, and collaboration.

In the past year, NEF funded projects that included **every** school in the district, from Leeds' Red-backed Salamander Study to JFK's Financial Literacy Program.

This fall, we were only able to fund 13 of the 21 grant proposals we received. Please donate to NEF so we can say YES to more teachers in the future.

The teacher you honor will receive a letter acknowledging your generous gesture, without revealing the amount. Gifts of any amount are welcome!
